Studies have shown that eating too much junk food makes people sick. Nowadays, children need to be especially careful since they love to eat candies, hamburgers, and many kinds of fast food.

Children like to drink soda and eat potato chips. Parents need to make sure that their children eat good food to stay healthy.

Vitamins are also available to children who do not like to eat fruit and vegetables. Remember, an apple a day keeps the doctor

away.

It is almost time for Christmas. Our class has decided to put on a play. The first thing we need to do is to write the play. Though we are not writers, we had great time creating our own play. Our play is about a wolf that is called Larry. Larry is not a bad wolf. In fact, he is very shy. Luckily, he has a lot of friends who help him when he gets into trouble.

When we finished writing the play, we had to choose the actors. Bill, the tallest boy in the class, plays Larry. I am the Rabbit. Lisa is the Horse, and Tommy is the Fox. We are Larry's good friends. But we had one problem: no one wanted to play the Bad Hunter. The hunter is the bad man in the play who tries to catch all the animals. In the end, Mr. Wang said he would play the Bad Hunter but asked us not to hit him so hard.

We will invite all our parents to come and see our show on Christmas Eve. I'd also like to invite you to come. I believe it's going to be a success.

I look forward to seeing you!
